PROFESSIONAL SUMMARY

Computer Science student specializing in Software Quality Assurance, with hands-on experience in manual testing, API testing, test case design, and defect lifecycle management. Proficient in Postman, JIRA, and Git with a solid grasp of SDLC, STLC, Agile, and Waterfall methodologies. Eager to apply structured testing practices and keen attention to detail in a professional role.

TECHNICAL SKILLS

Testing: Manual Testing, API Testing, Black-Box Testing, Regression Testing, Smoke Testing, Test Case Design, Test Planning, Defect Reporting, Bug Tracking, Requirement Analysis

Tools: Postman, JIRA, Git, GitHub, Trello

Languages: Python, JavaScript, C++, Java, C#, PHP, HTML, CSS

Frameworks: ASP.NET Core MVC, OpenGL

Methodologies: SDLC, STLC, Agile, Waterfall

CERTIFICATES

API Testing Learning Path - Completion Certificate (V12) | [Verify Certificate](#)

PROJECTS

ShobKaaj – Location-Based Service Marketplace | PHP, MySQL, JavaScript | [GitHub](#)

- Full-stack platform connecting customers with local service workers via location-based listings, booking system, and role-based dashboards; streamlined provider discovery and reduced booking friction end-to-end.

Software Requirement Engineering Project | [GitHub](#)

- Authored IEEE-standard SRS document covering functional/non-functional requirements, use cases, DFDs, and acceptance criteria; demonstrated QA-aligned requirement analysis for a real-world system.

ATM Management System | C# | [GitHub](#)

- Console-based ATM simulation with PIN authentication, account management, deposits, withdrawals, and transaction history; applied OOP principles and manually verified all edge-case flows.

.NET MVC Web Application | C#, ASP.NET Core MVC, MySQL | [GitHub](#)

- CRUD web app with user authentication, form-based data entry, and MySQL integration; personally executed end-to-end functional and regression testing across all user flows.

EDUCATION

American International University-Bangladesh (AIUB)

Dhaka, Bangladesh

B.Sc. in Computer Science & Engineering | **CGPA: 3.4 / 4.00**

Jan 2023 – Jan 2027

- Relevant Coursework: Software Quality Assurance, Software Requirement Engineering, Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems, Computer Networks
